*Follow-up
MAILING*

This is not what he told us on the phone (he left "Pre-sorted" out and "3rd Class"). In order to qualify for presorted mail (that's why we made the name/address window 3 1/2" above the fold), don't we have to put "Pre-sorted" on the envelope?

I'll wait to hear from you before marking up the boards.

Endorsements?

The 3rd class indicia must read as follows:

Bulk Rate
 U.S. Postage Paid
 Distribution Services Inc.

The layout of the actual piece will not change as a result of change in class rates.

2/23/95

*- M Mahan E Vichich
 M Salzman S Nickert*

- Savings \$600M*
- Could never trace 1st class anyway*
- realize B. Miller are currency
 and could never guarantee that
 They are delivered to consumer.*
